Hello! We are Katzenherz, a cat cafe in Nürnberg Germany. Come to our cafe for a drink and meet our cats. We have foster cats of all ages. If you fall in love with one of our fosters you can adopt them and make them a part of your family. We have been doing this since 2013 and we have found homes for over 600 cats. We love cats and are really sad when we see strays on the streets. So we take them in and make sure they are comfortable around people. We take good care of our cats and put them up for adoption when we feel they are suitable for a new forever home. We are the happiest when one of our cats finds that forever home they deserve. Hopefully, you can find your new best friend here.

Stripe and Smudge.

These two lovely kittens are now up for adoption. Take a look at our other cats too.

Ispod uvoda se nalazi div Mace gde se nalaze slike I kratki opisi mačaka za usvajanje. Raspored slika I teksta se naizmenično menja preko JQuery-a. Takođe treba spomenuti I div sa ikonicom u donjem desnom uglu koji, klikom na isti, vraća korisnika na početak stranice.

Cats looking for a forever home

Hi, I'm Smudge. I'm an energetic kitten looking for a spacious home where I can play with my brother Stripe, who I want to be adopted with. I like curling up in laps and playing with long hair. My favorite hobbies are chasing toys, playing with my brother, looking through a window, exploring new places and talking to people (I'm quite the chatterbox). I cant wait to meet you.

Hello, my name is Stripe, a small wild tiger full of energy that can't be stopped...unless if you give me a snack...or I get tired. I like zooming around rooms, taking naps in baskets and playing with my sister Smudge. I am a great food provider. My stuffed mouse hunting skills are unmatched. But don't be scared of my vicious nature, I am also very kind and like cuddles and being social with other people and animals. We can be the best of friends if you give me a chance.

Nakon maca ide div Meni u kome se nalaze tabela sa proizvodima i njihovim cenama, čije boje su urađene preko JQuery-a i menjaju boju prelaskom miša preko njih, i ispod nje je galerija sa slikama proizvoda koja radi preko JQuery Vanillabox-a.

Our menu

| Item | Price |
|---------------|-------|
| Coffee | 4€ |
| Capuchino | 5€ |
| Irish coffee | 4€ |
| Hot chocolate | 5€ |
| Tea(veriaty) | 3€ |
| Crossant | 2,5€ |
| Cheesecake | 6€ |

Nakon menia se nalazi div Pomoc sa dve forme: Doniraj i Volontiraj. Validacija forme se vrši na klik preko JavaScript-a. Ako je sve dobro unešeno na klik će resetovati forma, a ako nije polja koja nisu pravilno popunjena će se obojiti

crveno, ispod njih će se ispisati greška i forma se neće resetovati dok se sva polja ne popune pravilno.

The image shows two web forms on a red background. The 'Donate' form on the left includes fields for 'First Name', 'Last Name', 'Amount', 'Choose curancy' (a dropdown menu), 'Your credit card number' (with a placeholder 'Credit card number in form ****-****-****-****'), 'Your Email', and a text area 'Leave a message.' with a submit button 'Donate'. The 'Volunteer' form on the right includes fields for 'First Name', 'Last Name', 'Gender' (radio buttons for Male, Female, Other), 'Are you employed?' (radio buttons for Yes, I have a part-time job; Yes, I have a full-time job; No, I'm currently unemployed), 'Do you live in Nürnberg?' (radio buttons for Yes; No, but it's a 15-30 minute drive from it; No, I'm far away), 'Your Email', and a text area 'Why should we put you on our team?' with a submit button 'Volunteer'. A small paw print icon is in the bottom right corner.

Posle ide div Kontakt sa kontakt formom i dodatnim informacijama (broj telefona i lokacija). Varidacija se vrši na isti način kao u prethodne dve forme.

The image shows a 'Contact Us' form on an orange background. It includes fields for 'First Name', 'Last Name', 'Your Email', and a text area 'Write Your Email here.' with a submit button 'Send'. Below the form, there is a phone number 'Phone number: xxxxxxxxxx' and a location 'Location: Mommsenstraße 35 90491 Nürnberg Germany'.

Na kraju se nalazi div futer sa informacijama o autoru sajta i linkovima za dokumentaciju, Sass, JavaScript i Sitemap.
